

:: Silicone Remover ISO-VE 7030

silicone remover

CHARACTERISTICS

Silicone Remover 7030 is an universal isopropanol and water-based cleaner.

- Evaporates completely without stains after a short time
- Removes greasy as well as water-soluble dirt
- Removes common adhesives, bitumen, resins and ink
- Removes strong dirt

APPLICATION

The cleaner is suitable for gentle and effective cleaning for sensitive surfaces. Furthermore the Silicone Remover is ideal for the cleaning of plastic surfaces before painting, priming or gluing.

PRODUCT DATA

MATERIAL DATA

Form: Fluid

Colour: Colourless

Odour: Characteristic

Density: 0,85 g/ cm³

VOC-content: 2004/42/II B(a)(850) <595

Shelf-life: 36 months in unopened original container at proper storage conditions.

Store cool and dry.

HANDLING

03/2019

Mix thoroughly before use. Soak a dry and clean non-fuzzing cloth with Silicone Remover 7030. Clean the surface in small areas of 0,5 m² and wipe it off immediately with another clean cloth. Allow the cleaned surface to evaporate thoroughly. Do not allow the Silicone Remover to dry on surface.

Note: Some 1K primers may react with cleaner. In this case ensure good flash-off of the surface before repair so that no solvent particles remain. Otherwise remove the damaged coating before application of the new paint system.

FOR PROFESSIONAL USE ONLY!

SAFETY ISSUES

The before mentioned technical data and information, especially the recommendations for applying and using our products, are based on our current knowledge and experience when applied under normal conditions. In practice, the materials, surfaces or site conditions are so different that no warranty regarding the working results or liability, arising out of any relationship, can be inferred neither from this information nor from a verbal consultation, except we are charged with intent or gross negligence. In this case the user is obliged to prove that he has informed us about all points required for a proper and promising judgement in writing, in time and completely. Patent rights of any third party are to be observed. Furthermore, our general sales and delivery Terms and Conditions and the latest Technical Data Sheet, which should be demanded, apply. Directions for handling and waste disposal are in our Material Safety Data Sheet and the specifications of the Employers Liability Insurance Association for the chemical industry. Copyright VOSSCHEMIE
