

...lighten
the
load

with

Clax[®] Sure Link

OFF THE FLOOR laundry system that
lightens the load of your staff and
delivers the best experience
for residents and patients.

**Convenient,
safe and
efficient!**

Safety and convenience in the workplace

Light weight packaging, combined with bright colour-coded caps in an off the floor solution free from trip and fall hazards. A closed system for no direct contact with chemicals.

Perfect dosing

Pre-programmed automatic dispensing of concentrated chemicals ensures products are always dosed in correct amount.

Time /Cost Efficiency

Providing consistent cleaning results every time, no need to rewash, allows for efficiency in time and cost control.

Feels like home

Our complete range of premium products make fabrics look bright, smell fresh and feel soft. Providing comfort for your residents/patients giving a home like environment.

Clax[®] Sure Link

Convenient, safe and efficient

Lighten the load in laundry

Clax Sure Link is an off the floor laundry system that lightens the load of your staff and delivers the best possible experience for your residents and patients.
