

# Product Information Sheet

## ORANGE SQUIRT

All-purpose cleaner

## Product

- ✓ A multi-purpose hard surface cleaner
- ✓ Endorsed with the Good Environmental Choice Australia (GECA) mark
- ✓ Highly concentrated economical formulation
- ✓ Suitable for general cleaning or heavy duty commercial tasks
- ✓ Enhanced biodegradability

A multi-purpose cleaner that lifts and removes greasy soils by softening and solubilising oils and hardened fats. It cuts through general dirt, grime and vegetable matter commonly found in areas such as kitchens. An ideal floor cleaning solution, it may also be used as a laundry prewash, carpet spotter and vinyl cleaner. Safe to use on granite, limestone and marble when diluted according to directions. Contains D-Limonene and vegetable based detergents.

## ORANGE SQUIRT

All-purpose cleaner

|                            |   |                      |
|----------------------------|---|----------------------|
| Floor cleaning – scrubbing | <ol style="list-style-type: none"><li>1. Fill the scrubber solution tank with water and add the required amount of ORANGE SQUIRT. For general cleaning add 500ml per 50L of water.</li><li>2. Set the pad down on the floor, drop the squeegee, turn on the vacuum and proceed with cleaning.</li><li>3. If trails are left behind, damp mop these areas to remove the excess water before it dries.</li><li>4. Recommended pads:<br/>On vinyl – Oates Floormaster White, Coral or Red pad<br/>On terrazzo - Oates Floormaster White or Tan pad<br/>For surfaces that require deep cleaning or cut back use an Oates Floormaster Blue scrubbing pad.<br/>To extend life of polish, minimise the use of aggressive pads. Use pads required to clean the level of soil experienced.</li></ol> | 1 to 100 parts water |
|----------------------------|---|----------------------|

**Note:** The use of warm to hot water will to improve the removal of greasy/oily soil residues. 750ml product is already diluted and ready to use.

**Risk:** Irritant. May cause sensitisation by skin contact. Repeated exposure may cause skin dryness or cracking.

**Safety:** Do not breathe vapours or mists.  
Avoid contact with eyes and skin.  
Wear suitable protective clothing and eye/face protection.

**Considered hazardous according to the criteria of Safe Work Australia.**
