Product Code	Outer Pack	APN
CHRC-218112 (750ml)	12	9324828000365
CHRC-218115A (5L)	3	9324828000976

### Application

Carpet & Upholstery
<ol style="list-style-type: none"><li>1. Use NEAT – do not dilute</li><li>2. Pre-test. Apply UNBELIEVABLE in an inconspicuous area and cover with a clean white towel. Leave for 5 minutes and check the towel for colour transfer. If evidence of colour transfer, do not proceed.</li><li>3. Blot as much excess liquid as possible or remove solid soil before cleaning.</li><li>4. Using a trigger spray apply UNBELIEVABLE to the outside edge of the stain. DO NOT oversaturate carpet.</li><li>5. Work product towards the middle of the stain with a clean white towel. DO NOT spread the stain by scrubbing with a sponge.</li><li>6. Leave the product to remain on the stain for 2 minutes.</li><li>7. Using a clean, wet, white towel blot the treated area.</li><li>8. Repeat the process until no more soils come up in the towel.</li><li>9. Rinse the treated area with cold water &amp; blot or extract.</li><li>10. Repeat above until all stain is removed.</li></ol>

**Note:** The majority of spills can be removed if immediate action is taken.  
Do not use hot water as this may set the stain and make it harder to remove.

**Safety:** Avoid contact with eyes and skin.  
Wear protective clothing and eye/face protection.

**Not considered hazardous according to the criteria of Safe Work Australia.**
