Oates Sachet Magic Sanitiser Cleaner can be used as a non-rinse surface sanitiser on thoroughly pre-clean food contact surfaces (cutting boards, tables, benches, and processing equipment) on any other pre-cleaned surfaces. Spray with a fine mist of the diluted sachet. Do not rinse – allow to air dry or wipe with clean paper towel.

**Precautions:** Do not mix with other chemicals.

Keep sachets dry – do not handle with wet hands.

Reseal packaging after use and store in a dry place.

**Risk:** Corrosive. Causes severe skin burns and eye damage.

May produce an allergic reaction.

**Safety:** Keep out of reach of children. In case of contact with eyes, rinse immediately with plenty of water and contact a doctor or Poisons Information Centre (Phone 13 11 26 Australia or 0800 764 766 New Zealand). After contact with skin, wash immediately with plenty of water. Wear suitable gloves and eye/face protection.

**Hazardous according to the criteria of Safe Work Australia**

## Instructions for use

Add 1 liquid sachet to bottle

Fill bottle with water to 750ml level

Replace trigger and shake gently to dissolve sachet

Spray directly to all washable surfaces and wipe with cloth
