1. PRODUCT DESCRIPTION/APPLICATION

HY.GIENE Laundry Liquid is a clear, thick opaque liquid combining a blend of powerful cleaning agents, detergents and specialty optical brighteners. HY.GIENE Laundry Liquid ensures maximum cleaning performance on all soils encountered leaving fabrics clean and bright with a fresh residual fragrance. HY.GIENE Laundry Liquid can be used in all types of washing machines, front and top loading to remove a wide range of household stains including grease, fat, blood, oil, dirt and perspiration. The highly active biodegradable "naturally derived" detergents used ensure that the toughest soils and grease are removed quickly and effectively. The naturally derived ingredients are also gentle on the skin. HY.GIENE Laundry Liquid 753 is also suitable in industrial washing machines and for use in on premise laundries such as nursing homes, motels and hotels.

2. METHOD OF USE

1. Top loading machines use. 1 x ½ cup for a normal wash load. For heavy soiling use up to 1 cup.
2. Front loading machines use. 1 x 1/3 cup for normal wash loads. For heavy soiling use 1/2 cup.
3. Hand washing and soaking. 1 x 1/3 cup to a bucket (5 litres).
4. Pre spotting. Use HY.WASH Prewash Stain Remover. Pour a small quantity onto the stain, rub gently and place soiled garment, allow to dwell, then wash.

3. PACKAGING

Available sizes: 5lt and 15lt
