

## Alcogel

### Alcohol Based Hand Rub (ABHR)

Alcogel a LOG 5 hand sanitiser, is a topical gel used to supplement routine hand washing. Alcogel will reduce micro-organisms on the skin to a sanitary level. The product also contains emollients to help reduce dryness of the skin associated with other alcohol based sanitisers.

Alcogel contains 70% v/v ethanol.

Independent efficacy tests have confirmed Alcogel's effectiveness as:

Organisms	% Reduction	
	30 seconds	60 seconds
Staphylococcus aureus	>99.999	>99.999
Escherichia coli	>99.999	>99.999
Salmonella typhimurium	>99.999	>99.999
Listeria monocytogenes	>99.999	>99.999
Campylobacter jejuni	>99.997	>99.997

- ▲ **CLEANER**
