

Portable Spot Extractor

Clean spots before they become stains with the portable spot extractor.

Just the right tool

The spot extractor conveniently cleans smaller areas and is perfect for use on spills and upholstery cleaning, auto detailing and many other applications.

Durable tools

Metal hand tool and optional metal floor tool help reduce maintenance cost by outlasting their plastic counterparts.

Complete spotting solution

Add the optional rolling cart and chemical kit and have everything you need at your fingertips for cleaning spots.

Key Benefits

- Perfect for cleaning small spots on carpet, upholstery and many other applications
- Durable metal hand tool with see-through window to ensure complete recovery
- Easily fill/dump the spotter in multiple locations such as sinks and tubs
