

# Product Information Sheet

## HALO

Glass & shiny surface cleaner

### Product

- ✓ Professional results in less time
- ✓ Anti-static properties help reduce attraction of dust after cleaning
- ✓ Dries to a smear free film.
- ✓ Safe on tint film as there is no ammonia in the formula
- ✓ Great deodorising fragrance
- ✓ Suitable for use on different surfaces
- ✓ Ready to use.

Fast drying, streak free glass cleaner that cuts through greasy fingerprints and food based grime in a flash. Suitable for use on an array of surfaces including glass, tinted glass, mirrors, glossy painted surfaces, laminate, chrome, stainless steel and some sensitive equipment such as computers, X-ray machines and electrical equipment. HALO does not leave dirt and dust attracting residues and therefore helps surfaces stay cleaner for longer.
