### ORGANIC MULTI ENZYME FORMULA

- Concentrated formula - specifically blended for mould and mildew remediation.
- Contains a proprietary multi-enzyme formula designed to break down mould spores and fungus.
- Eliminates odours by destroying the organic matter. It does not just mask odours!

### SOAP FREE – STREAK FREE

FOR USE ON- GLASS, STAINLESS STEEL, TILES, BENCH TOPS, SHOWER SCREENS, TOILETS, URINALS, WALLS, PORCELAIN,

#### What is the Safer Choice label?

Finding products that are safer for you, your family, and the environment should be easy—that's why EPA created the Safer Choice label. The Safer Choice label helps you identify products with safer chemical ingredients, without sacrificing quality or performance. When you see a product with the Safer Choice label, it means that EPA scientists have evaluated every ingredient in the product. Only the safest ingredients are allowed in products with the Safer Choice label.

([www.epa.gov/saferchoice](http://www.epa.gov/saferchoice) for more info
