

Estesol® Lotion

Light Duty Hand Cleaner

PRODUCT DESCRIPTION

Light duty lotion hand cleaner to remove general industrial dirt and grime with a light, pleasant unisex fragrance.

WHERE TO USE

For use in general industrial environments.

INSTRUCTIONS FOR USE

- For general washing, wet hands first and apply one shot of product
- For greasy soilings, apply one shot of product direct to dry hands
- Rub across all parts of the hands and rinse off with clean water
- Dry thoroughly

FORMAT: **LOTION**

FEATURES	BENEFITS
Lightly fragranced	Appealing to both males and females with no lingering scent.
Good Environmental Choice Australia Certified Product	This product has been independently certified as meeting the requirements of Good Environmental Choice Australia PCPv4.1i-2013 Personal Care Products Standard. See www.geca.eco
Contains a mild, yet effective blend of cleansing agents	Suitable for frequent use to remove general workplace dirt and grime.
Contains Glycerin	A skin moisturiser to help prevent drying and leave the skin feeling smooth after use.
Soap-free formulation with skin friendly pH value	Formulated to maintain the skin's acid mantle; a layer on the surface of the skin which acts to help support the natural bacteria balance.
Silicone-free	Suitable for use in any production sites where paint and surface coating processes are undertaken.

Estesol® Lotion

Light Duty Hand Cleaner

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from www.debgroupp.com/au/sds.

SHELF LIFE

This product has a shelf life of 24 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

CERTIFICATION

The **Good Environmental Choice Australia** Ecolabel certification scheme is Australia's leading environmental certification program. GECA's Ecolabel trade mark indicates the environmental performance of a product has been certified from multi-criteria perspective. Products that carry the Ecolabel trade mark are certified environmentally preferable by GECA.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in semi occlusive, 48 consecutive hour application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements. Suitable for use on children under 3 years of age.
