LUXURY COMFORT ARCH FOOTBED

PRODUCT CERTIFICATION

BSI Certified Product

CERTIFIED TO:
Standard AS 2210.3:2019 - Classification II
ASTM F2413 - 18 including EH (Clause 5.6)

The #025 gumboot is built for those with a wider foot. In addition to a steel toe cap and Comfort Arch Footbed, it's also slip and abrasion resistant.

- Grey waterproof safety gumboot
- PVC/Nitrile compound that is chemical, oil and acid resistant
- Soft metatarsal pad to cushion the delicate metatarsal bones of your feet and reduce stress on pressure points while allowing full flexibility
- Distinctive upper with additional protective patterning providing greater resilience to cuts and abrasion in vulnerable areas
- Removable Comfort Arch footbed with XRD® Technology forepart insert, for greater impact absorption and comfort. Footbed is anti-bacterial, washable and breathable
- Wide fit and a heavy-duty tread base for extra stability and a sole pattern that resists clogging, providing superior grip in most conditions
- Knit lining for comfort
- Broad fitting impact-resistant steel toe cap
- Ergonomically engineered toe spring reduces wearer fatigue
- Made in Tasmania
