

Shielding lotion—an advance  
on standard industrial barrier  
creams and moisturising  
lotions

Non-toxic, hypoallergenic  
natural moisturiser

Second skin for hands and  
body—keeps good stuff in, bad  
stuff out

Dermatologist prescribed

Protects hands against  
cleaning compounds, solvents,  
acids, oils etc

Makes it easier to remove  
grime, paint, glue, sealant, etc

Unparalleled relief for dry,  
cracked and irritated skin
