

GFPR121

Bi-Polymer Cut Resistant

HI-VIS

DESIGNED
TO PROTECT

Features

- ▲ Bi-Polymer coating provides enhanced flexibility with a superior wet, oily and dry grip
- ▲ Touch screen friendly
- ▲ Resists oil and solvent degradation
- ▲ 360 degree high-visibility yellow provides additional visual wearer safety
- ▲ Perfect form, fit and comfort is achieved through Force360's unique knit pattern that mimics a 'hand at rest', minimizing hand fatigue
- ▲ UPF50+ offering maximum sun protection
- ▲ Suited to medium duty sharp object handling where maximum dexterity is required

Standards & Certification

EN388:2016

4X31C

Force360 recognise that without product certification by a Notified Body all product performance testing, and adherence to standards claims cannot be independently verified. If they are not as claimed, serious safety implications for the wearer, and legal implications for the supplier and even the employer may arise. Force360 source their entire range of Synthetic hand protection from a single manufacturing partner to ensure consistency and reliability of product, but most importantly Force360 have taken the further step of engaging a globally recognised Notified Body to audit and certify both the manufacturing process and the products. All of Force360's hand protection is certified to the latest AS/NZS hand protection standards.

Specifications

Part No.	GFPR121
Liner	Bi-Polymer
Coating	HPPE

Packaging

1 12 144

Sizing & Fit

Available Sizes

●	GFPR121.S	Small
●	GFPR121.M	Medium
●	GFPR121.L	Large
●	GFPR121.XL	X Large
●	GFPR121.2XL	2X Large

Dexterity Level

Maximum Dexterity Level 5

Certified under AS/NZS 2161.2:2020

GFPR121

Key Technologies

Bi-Polymer Coating

Force360's Bi-Polymer coating is a combination of two polymer materials chemically bonded to give the user both mechanical toughness and exceptional grip and flexibility.

Touch Screen Friendly

Force360's touch screen friendly technology allows the wearer to use their mobile devices without removing their hand protection.

Actifresh

The Actifresh Sanitized treatment neutralizes odour creating bacteria. Gloves are kept fresher for longer. Actifresh resists UV degradation and maximizes product longevity.

Hand at Rest

Perfect form, fit and comfort is achieved through Force360's unique knit pattern that mimics a 'hand at rest', minimizing hand fatigue.

Reach Compliance

Required Safe pH Level

Certified under AS/NZS 2161.2:2020

AZO Dye and Irritant Chemical Free

Certified under AS/NZS 2161.2:2020

Sun Protection

UPF50+ Sun Protection

Pass under AS/NZS 4399 Sun Protective Clothing.

Tested by Australian Radiation Protection And Nuclear Safety Agency (ARPANSA).

Glove Care

Machine Wash <40°C

Cold Water Rinse

Dryer <60°C
