Product information

Waterproof Rain Jacket with detachable waterproof hood. Heat Seam Sealed Oxford Waterproof shell and lightweight mesh lining with storm cuff. Plastic zip closure with reinforced button snap closure. Deep external waist pockets with plastic button closure and internal embroidery pockets. Back splits for cool summer use and additional back ventilation flap. Can be used as a combination jacket when zipped with MO214 vest or MF315 fleecy jacket.

200D Oxford

This tough fabric is made from 200 Denier 100% Polyester yarn for demanding work environments. 200D has excellent resistance to tears and abrasion, allowing the garments to last longer. This fabric is durable and waterproof to help keep the wearer dry in adverse environments.

All Weather Protection

Portwest rainwear is engineered with exceptional fabrics and designs, allowing these garments to transition between work and leisure. The best quality materials and high technology construction techniques are used throughout, guaranteeing the ultimate in all-weather protection. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured with care to ensure total satisfaction wear after wear.
