>>KIRSCHEN<< TOOLS

High Quality German Products

The new KIRSCHEN "2 Cut" Chisel is the first universal tool from the "Two Cherries" brand, featuring two cutting edges, both front and side.

2 Cut Chisel

- 26mm front cutting edge for mortising & levering.
- 90mm side cutting edge for all cutting purposes.
- Hardened back can be used with plastic or wooden mallet.
- German made blade & handle.
- Cutting edges polished mirror bright
- Usable length hardened to 59 - 61 HRC
- Designed for:
 - » Mortising
 - » Cutting
 - » Scraping
 - » Peeling
 - » Notching
 - » Slitting
 - » Marking
- Suitable for use by carpenters, roofers, cabinet makers, carvers, gyprockers & do-it-yourselfers.
- Versatile design makes it ideal for work with both green wood and seasoned timber.
- Dual component, plastic handle for comfortable use.
- Comes with micro-fibre sheath for ease of storage.
