Cylinder Extractor Saddle

PRODUCT DESCRIPTION

MASTERPICK Art. BR-Y Cylinder Extractor Saddle.

This compact and handy tool is designed to hold down top pins and springs in lock cylinders on rekeying jobs where follower insertion isn't possible.

This is particularly useful for rekeying Euro Cylinders that lack removable caps. The offset construction of the saddle also ensures that it won't slip out of the cylinder and cause any top pins to drop.

PRODUCT SPECIFICATION

- Dimensions (H x W x D): 30 x 25 x 30mm

CADELL 52

Commercial And Domestic Electronic Lever Lock

NEW

Commercial

Smart, secure, and built tough —

- A commercial grade Smart Door Lock that retrofits effortlessly to common Australian mortice locks.

Built with weather protection, fire protection and convenience at its core.

- Designed without compromise, the CADELL52 sets a new standard in commercial smart locks — combining superior strength, fire protection, and weather resistance for where it matters most.

2-Hours

SL8 : Physical Security Rating

D8 : Durability Rating (500,000 Cycles)

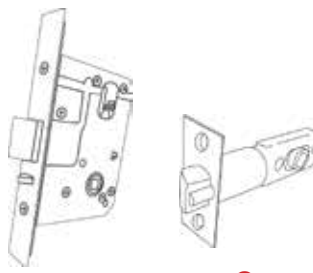

Design for Access and mobility - AS1428.1-2009

Design & finish

-Every detail of the CADELL52 has been carefully considered to complement common commercial hardware, ensuring a seamless and professional look in any commercial environment.

And....

Domestic

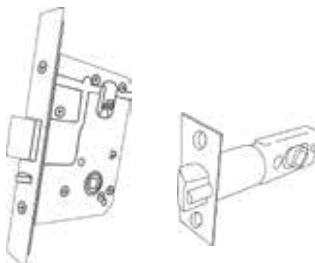

‘Commercial-Grade Security — for Work or at Home’

- The CADELL52 Commercial Smart Door Lock is also perfectly suited for residential use
 - bringing unmatched commercial-grade strength, security, and quality to your home

‘From Knobs to Deadbolts — CADELL 52 — Covers It All’

- The versatile design of the CADELL52 makes it the perfect upgrade, easily replacing most common knob or lever sets. With its convenient footprint and multiple Retrofit upgrade plate options, it can even cover traditional latch-and-deadbolt combinations for a seamless, secure fit!

HAPPY RETIREMENT

Henry 'H' Guldon

Celebrating the SG Career of Henry Guldon

After an incredible 23 years of dedication to SIEPER Group and our Victorian & Tasmanian customers, we celebrate Henry Guldon as he embarks on a well-deserved retirement.

Henry joined our team in 2002 and quickly became an integral part of our story—not only fulfilling his role as Victorian Sales Manager but also, in those early years, playing a vital role in mentoring our then 'green' CEO on many aspects of the locksmith industry.

As Sales Manager, Henry consistently demonstrated professionalism, integrity, and was the ultimate customer champion—often driving customer focused process changes for short-term service objectives that often ended up delivering long-term benefits for both our customers and our company.

Beyond his professional achievements, Henry will be remembered for his positive attitude, pizza focused event organisation, and the genuine care he showed for colleagues and clients alike.

Henry, thank you for your years of service and the legacy you leave behind. We wish you happiness, health, and exciting adventures in this next chapter of life.

Please join us in congratulating Henry and wishing him all the best for the exciting journey ahead!
