MIRACLE - A9

NOVA

PRODUCT DESCRIPTION

The latest addition to the proven A9 range — built for locksmiths who need accuracy, speed, and reliability on every cut.

Capable of duplicating and cutting to code a wide variety of keys, including automotive and residential, using interchangeable universal and domestic vices.

A solid choice for both workshop and mobile setups.

Key Features

New Brushless DC Motor

Delivers precise, stable cutting with less power loss, reduced heat, lower noise, and minimal vibration.

Expanded Work Area

Easily handles large transponder and remote keys without disassembly.

LED Cutting Area

Clear visibility for accurate cutting — even after hours.

Improved Machine Design

Recessed side-mounted connection ports for quicker, cleaner, and less intrusive setup.

Universal Tablet Stand

Flexible mounting for better workflow in any environment.

PRODUCT SPECIFICATION

- Size (W X H X D): 300 x 338 x 423mm
- Weight: 20 Kg
- Spindle Motor Specs.: 40W, Brushless DC, Direct Drive
- Spindle Rotation Speed: 7000 RPM
- Main Power: 100 - 240V AC (50 / 60Hz)
- Operating Temperature: 5-40 Degrees Celsius
- Operating Humidity: 10-90%
- Supplied with Samsung Galaxy Tablet
- 2-Year Manufacturer Warranty (*)

KEYDIY KD-MAX

PRODUCT DESCRIPTION

All-in-One Remote & Transponder Tool

Combines the portability of KD-X2 with the full KeyDIY mobile database in one device.

Remote Generation Capability

Generates KD B, NB, and ZB series remotes directly from the device.

PC-Free Operation

Generate online remote references without needing a connection to PC software.

Frequency & Transponder Detection

Accurately detects remote frequency (including infrared) and transponder ID.

Remote Cloning Functionality

Dedicated cloning features for efficient duplication of remotes.

Built-In Battery Tester

Integrated coin battery voltage tester for quick remote diagnostics.

5" HD Touchscreen Display

1280x720 resolution screen for clear, easy operation.

Portable Rechargeable Power

3375mAh battery for mobile, on-the-go use.

Ignition Coil Detector

Assists with transponder chip detection and identification.

This Pin Kit is designed using a heavy-duty metal box with a leak-proof cover, all pins are located on one easy-to-use level, unbreakable plastic insert housing. The case includes hold down latches, and a heavy-duty metal carrying handle. Designed specifically for the Australian Locksmith, this kit includes easy-to-read pinning chart, pre-filled and ready-to-use kits filled with colour coded pins to match industry standards.

PRODUCT SPECIFICATION

- Bottom Pins: No.0 - No.9 (10 Sizes - Pkt of 144 of each size)
- Master Pins: No.2 - No.9 (8 Sizes - Pkt of 144 of each size)
- Made in USA

EOFY '26 VOUCHERS – HOW IT WORKS

Check the Product

Each qualifying EOFY item will show Voucher Options next to it.

Choose One Category

Select ONE (1) Voucher Category (only) from the Options shown on the advertisement and / or Order Screen.

Category Explanations (RIGHT)

To further understand what is included in its Voucher Category see the Table to the right. The Voucher Categories that apply to a purchased item are shown on the Item Advertisement and / or Order Screen. Only ONE (1) category can be selected per order for the purchased EOFY item.

Understand Your Bonus

Each Item Purchased gives you a different Voucher Value. The value of the voucher represents the Total Value of FREE items you receive on your order (from the chosen Product Category).

We Build It For You

Your Sales Manager will contact you when we receive your order, to confirm your product category and book in the free items for your order.

SMALL BUSINESS
\$20,000
INSTANT ASSET
WRITE-OFF

Summarised Eligibility Criteria (see ATO Website for more info)

The \$20,000 instant asset write-off lets eligible small businesses (subject to ATO criteria) claim the business portion of assets upfront, instead of depreciating over time.

Better still, the \$20,000 limit applies per asset, so you can write off multiple eligible purchases.

All items must be installed and ready for use before the 30 June 2026 deadline.

NOTE: SIEPER Group has summarised this information from the ATO's Website as at 1st May 2026, please make sure you seek your own independent taxation advice to ensure your eligibility or visit www.ato.gov.au for more details.

		Select any products from the: LOCKTON E-Series range up to the Value on the voucher
		Select any products from: >>>SGT, XHORSE or KEYDIY up to the Value on the voucher
		Select any products from: LOCKTON Panic Bar & Door Closer range up to the Value on the voucher
		Select any products from: LOCKTON Padlock & Cylinder range up to the Value on the voucher
		Select any products from: LOCKTON Mortice Lock, Latches & Furniture range up to the Value on the voucher
		Select any products from: LOCKTON Knob & Leverset range up to the Value on the voucher
		Select any products from: LOCKTON Knob & Leverset range up to the Value on the voucher

Whilst every effort has been made to ensure the accuracy of the information supplied herein, we assume no liability for any errors or omissions.

Information contained in this document is subject to change without prior notice.

" EOFY '26 " Deals are valid until 30th JUNE 2026 or whilst stocks last.

Pricing shown excludes GST.

Pricing as of 23/05/2026 and is subject to change. For most accurate information please check the SGLOCKS website.
