DIPLOMAT	I ECB-S/VdS I LFS 60 EN 15659	-	MTD 740 - 780	35,000	110,000

Insurance Coverage - Certifications

The sums mentioned are minimum insurance values. We recommend that you determine the most favorable rating by talking to your insurance company.

You may achieve a correspondingly higher insurance cover when you get advice from your insurer.

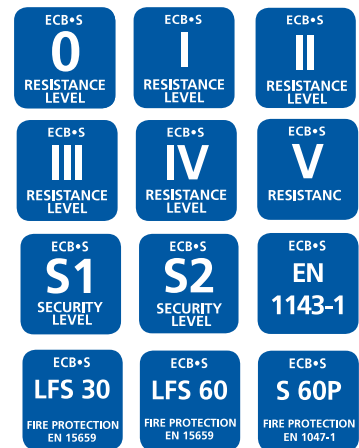

Many of the amounts can be increased if the safe is monitored by a burglar alarm system

All safes with a mass of less than 1,000 kg are equipped with an anchoring device and must be anchored in accordance with the assembly instructions Each ECB / VdS-approved safe is supplied with operating and assembly instructions enclosed.

* Because of different insurance conditions coordination with the insurer is required.

Many BURG-WÄCHTER safes meet these requirements of the standards EN 1143-1 and / or EN 1047-1. This is done in the ECB-S Security Systems (certification body according to EN 45011). The ECB-S certification includes an unannounced test of the production locations. This is a constant quality level guaranteed.

These safes are characterized by a particularly high level of fire protection.

ECB.S certifies Security Levels and Fire Resistance Ratings as well as the individual Locking Mechanisms (both Keyed and Electronic)

The VdS tests and certifies products on the subject of security. BURG-WÄCHTER Safe locks SecuSafe and SecuTronic achieve high resistance values in the tested lock classes. The VdS seal of approval stands for quality and reliability.

This label says: Put through its paces in the BURG-WÄCHTER test laboratory. So that you get reliable quality even with inexpensive safes.

CERTIFICATE

The **European Certification Body GmbH** accredited
according to ISO/IEC 17065 awards to

Burg-Wächter KG
Altenhofer Weg 15, 58300 Wetter (Ruhr) / DE

the right to carry the **ECB•S** certification mark for

Light fire storage units of protection level LFS 30 according to EN 15659:2019 and ECB•S C10
(Series Profi-Safe – Types PRS 510 S/E, PRS 520 S/E, PRS 540 S/E and PRS 580 S/E)
