CADELL 52

Commercial And Domestic Electronic Lever Lock

Commercial

“Smart, secure, and built tough —

- A commercial grade Smart Door Lock that retrofits effortlessly to common Australian mortice locks.

Built with weather protection, fire protection and convenience at its core.

- Designed without compromise, the CADELL52 sets a new standard in commercial smart locks — combining superior strength, fire protection, and weather resistance for where it matters most.

2-Hours

SL8 : Physical Security Rating

D8 : Durability Rating (500,000 Cycles)

Design for Access and mobility - AS1428.1-2009

Design & finish

-Every detail of the CADELL52 has been carefully considered to complement common commercial hardware, ensuring a seamless and professional look in any commercial environment.

CADELL 52

Commercial And Domestic Electronic Lever Lock

Domestic

‘Commercial-Grade Security — for Work or at Home’

- The CADELL52 Commercial Smart Door Lock is also perfectly suited for residential use
 - bringing unmatched commercial-grade strength, security, and quality to your home

‘From Knobs to Deadbolts — CADELL 52 — Covers It All’

- The versatile design of the CADELL52 makes it the perfect upgrade, easily replacing most common knob or lever sets. With its convenient footprint and multiple patch plate options, it can even cover traditional latch-and-deadbolt combinations for a seamless, secure fit!
