Remote Programming Steps

Adding Remotes MT Series

- Press and hold any remote button you wish to open the garage/gate door with.
- Press and release the Orange “Learn” button on the opener panel. The opener light will flash once. Release the remote button. If no lights are installed, 2 clicks will be heard.

Adding Remotes MR Series

- Press and hold any remote button you wish to open the garage/gate door with, the Orange LED will flash.
- Press and release the purple “Learn” button on the opener panel. The opener’s courtesy LEDs will flash once. Release the remote button.

Deleting All Remotes from Receiver

- Push “Learn/Delete” button for 11 seconds – or until the indicator lights switch off.
