SGDC100-S	Standard Arm Door Closer

# DOOR CLOSERS

## INSTALLATION COULDN'T BE EASIER

### SELF TAPPING SCREWS

Standard across LOCKTON Door Closer Range.

By popular demand from customers; in addition to standard wood screws, LOCKTON Door Closers now include self tapping screws for installation on metal doors. This removes the time required for pre-drilling holes & using alternative screws for the job.

### NEW DRILLING TEMPLATES

Standard across LOCKTON Door Closer Range.

All LOCKTON Door Closers now come with lifesize templates for standard, left & right hinged, and additional parallel arm installation. Drilling templates also have simple instructions to assemble the pieces to complete the task.

## RACK & PINION DOOR CLOSERS

### CAM-ACTION CLOSERS ALSO AVAILABLE

• Suits most applications • Super competitive pricing
