A proud Aussie brand, Skin O2 is taking eight Gold Coast beauties along for the ride as part of its Skin O2 beauty crew, including *The Voice Australia* finalist Natasha Lockhart, makeup artist Claire Howell and former Miss Universe Australia Taylor Curry.

The girls will celebrate the launch of Skin O2's new matte liquid lipstick and Gold Spice makeup illuminators—which were inspired by the beauty of the Arabian Desert—at the beautiful Bab Al Sham hotel, and will be representing the Sunshine State throughout the visit
