Performance Matters

The PURELL® brand signals your commitment to quality.

Works quickly and effectively.

PURELL Professional Sanitising Surface Disinfectant is a one-step disinfectant and cleaner that dissipates quickly and cleanly with no streaks or sticky residue. The light, citrus fragrance gives you the peace of mind to use around others. And because the multi-surface formulation was specially designed for both hard and soft surfaces, you can rest assured you won't damage your valuable surfaces.

A patented 1-step disinfectant and cleaner, that also sanitises soft surfaces

The multi-surface formulation was designed to work in your environment. Rapid kill and dry times mean that by the time the product dries, the germs have been killed, and you can get back to work more quickly.

Effective hard surface disinfecting and soft surface sanitising such as:

- Plastics
- Metals
- Granite
- Sealed wood
- Porcelain
- Laminate
- Upholstery
- Vinyl
- Fabrics
- Quartz surfaces

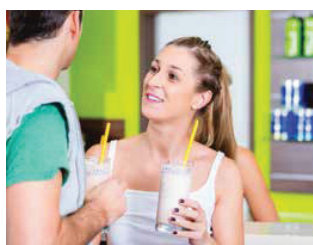

SUSTAINABILITY

Awarded the U.S. EPA Design for the Environment certification (DfE), PURELL Professional Sanitising Surface Disinfectant delivers effective germ kill that upholds a responsible environmental profile. Disinfects bacteria faster than any DfE product.

Powerful Peace of Mind

Introducing PURELL TOUCHABLE™ Technology

Gentle enough to disinfect and clean staff room countertops or a child's toy, yet tough enough to kill fast-spreading gastro and germs.

Create an atmosphere of well-being in your workplace by offering a disinfectant and cleaner that's powerful enough to wipe out the toughest germs, but gentle enough to use on food contact surfaces.

PURELL® Professional Sanitising Surface Disinfectant kills germs that may cause the common cold on surfaces without harsh chemicals or fumes from bleach and other traditional all-purpose chemicals – it's gentle enough for everything from countertops to children's toys.

SKU	Description
3342-12-AUS00	12 - 946 mL bottles capped & sealed with spray triggers

PURELL TOUCHABLE™ Technology means:

- **No rinse** required on food contact surfaces
- **No handwashing**, gloves or safety glasses required
- **No harsh fumes**
