

SS-25 NC

Non-Chlorinated Safety Solvent

Cleans and Degreases Electric Motors and Metallic Surfaces

FAST, CONTROLLED EVAPORATION

- NON-CORROSIVE
- NON-CONDUCTIVE UP TO 25,000V
- POWERFUL DEGREASING ACTION
- READY TO USE

FEATURES AND BENEFITS

- SS-25 NC is non-corrosive. It will not pit light alloys or metals with a plated finish.
- SS-25 NC has quick and controlled evaporation that leaves no residue or condensation to attract dirt.
- SS-25 NC penetrates, dissolves and lifts out grease, grime, dirt, oil and resins. It clears ventilation passages and cleans oily windings and insulation.

AREAS OF USE

- Manufacturing Plants
- Maintenance Shops
- Automotive/Repair Shops
- Printers
- Welding & Machining
- Shops
- Hospitals
- Elevator Maintenance
- Marine Operations
- Transit Departments
- Factories

APPLICATION

- Processing Machines
- Packaging Equipment
- Electric Motors
- Voltage Regulators
- Brake Linings
- Generator Frames & Rotors
- Presses
- Rollers
- Vending Machines

TECHNICAL DATA

Water Solubility	Negligible
Does Not Contain	Chlorinated, Fluorinated or Aromatic Solvents
Approved	General Cleaner Type B

*Never use SS-25 NC on running electric motors.

*Do not start motors until all product is blown out and the motor is dry.

*Not for use on computers, electronic magnetic switches, televisions & sensitive electronic equipment. May be harmful to some plastics and rubbers if they are left to soak for long periods.

*Consult the label for full instructions and precautions before using this product.
