

Safety Data Sheet for Foaming Hand Wash

Section 1: Identification of the substance/mixture			
Product Name:	Health Basics Hand Wash West Coast Wild Flower, Te Mata Apple Dew		
Recommended Use	Hand Wash		
Company Details	PSM Healthcare Ltd		
Address	PO Box 76 401, Manukau City, Auckland, New Zealand		
Telephone Number	64-9-279-7979		
Emergency Telephone Number	National Poison Information Centre. Phone 0800-764766		
Date of Preparation	20 th September 2018		
Section 2: Hazards Identification			
Hazard Classification	6.3B Substances that are mildly irritating to the skin 6.4A Substances that are irritating to the eye		
Health Effects–Eyes	Irritating to the eyes. Possibility of persistent effects on the eyes.		
Health Effects–Skin	Unlikely to be absorbed in harmful amounts.		
Health Effects–Ingestion	Ingestion may cause irritation to the first part of the digestive tract.		
Health Effects-Inhalation	No particular effects known.		
Required identification Details	<p>Warning: Causes mild skin irritation. Read label before use. If skin irritation occurs: Seek medical advice.</p> <p>Warning: Causes eye irritation. Wash hands and any splashes off with water after handling. If skin irritation occurs: Get medical advice. Causes eye irritation. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If eye irritation persists get medical advice. Rinse empty container and dispose of empty container to appropriate waste stream.</p>		
Section 3: Composition/information on ingredients			
Mixture	Ingredient	CAS / EINECS No.	% W/W
	Decyl Glucoside	68515-73-1	5 – 10%
	Citric Acid	77-92-9	<0.5%
	Fragrance	-	<0.5%
	Methylchloroisothiazolinone	26172-55-4	<0.01%
	Methylisothiazolinone	2682-20-4	<0.01%
	Other ingredients determined not to be hazardous		to 100
Section 4: First Aid Measure			
Description of necessary first aid measures	Swallowed:	If swallowed do not induce vomiting. Rinse mouth with water. Give a glass of water. Contact a doctor or the National Poison Information Centre, phone 0800-764766, if symptoms develop.	

	Eyes:	If in eyes, hold eyes open, flood with water for at least 15 minutes and see a Doctor if pain persists.
	Skin:	First aid measures are not applicable for normal use as this is a hand wash. If spilled or splashed on the skin, rinse thoroughly with water to remove the hand wash. If irritation develops seek medical advice.
	Inhaled:	Remove person to fresh air.
Workplace facilities	Availability of water for rinsing of eyes or skin	
Required instructions	Swallowed:	If swallowed do not induce vomiting. Rinse mouth with water. Give a glass of water. Contact a doctor or the National Poison Information Centre. Phone 0800-764766
	Eyes:	If in eyes, hold eyes open, flood with water for at least 15 minutes and see a Doctor if pain persists.
	Skin:	Wash affected area with water. If irritation develops seek medical advice.
	Inhaled:	Remove person to fresh air.
Notes for medical personnel	Treat symptomatically. If in eyes, recheck after one week.	
Section 5: Fire-Fighting measure		
Type of hazard	Not Flammable	
Fire hazard properties	Not applicable	
Extinguishing media & methods	The material is not flammable. In case of fire water, water fog, dry chemical, CO ₂ or foam can be used.	
Recommended Protective Clothing	Not required	
Section 6: Accidental Release Measure		
Procedures to be covered	Contain and absorb in inert material (ie. Sand or vermiculate). Dispose of in accordance with local regulations.	
Section 7: Handling and Storage		
Subsection 1		
Handling Practices	Warning: Avoid contact with eyes. For external use only!	
	Flammability: Product is not flammable	
Subsection 2		
Store site requirements	Store product in a cool place out of sun and away from food stuffs.	
Packaging	Store in original container in secure area inaccessible to small children. Keep out of reach of children.	
Section 8: Exposure Control/Personal Protection		
Workplace exposure standards	None known.	

Application in the workplace	Warnings: This product contains ingredients that may cause eye irritation. Avoid contact with eyes.	
Exposure Standards outside the workplace	Not applicable	
Subsection 2: Engineering Controls		
Hierarchy of controls measures	N/A	
Exposure control measures	Skin: Gloves (vinyl, rubber or plastic) must be worn when handling this product. Eyes: Eye protection should be worn (safety glasses) to avoid product contacting the eyes.	
No Hazard indication	No Hazard indication is required	
Ventilation specification	None required.	
Subsection 3: Personal Protective Equipment (PPE)		
Detail specifications for equipment	Skin: Gloves (vinyl, rubber or plastic) should be worn when handling this product Eyes: Eye protection should be worn (safety glasses) to avoid product contacting the eyes.	
Specific route of exposure	ACUTE EFFECTS: Swallow: Eye: Skin: Inhaled: CHRONIC EFFECTS:	Product may cause irritation of the gastrointestinal tract. Irritating to the eye. Avoid contact. Prolonged skin contact may cause skin irritation. No adverse effects. Long term or repeated skin contact may lead to dermatitis.
General Hygiene	Wash or rinse any exposure from skin. Do not re-use gloves directly contaminated.	
Section 9: Physical and Chemical Properties		
Specific Data for the product not the individual components	APPEARANCE: Thin mobile liquid.	
Required Specifications	BOILING POINT: Not Determined FLASH POINT: Not flammable VAPOUR PRESSURE: Not Determined SPECIFIC GRAVITY: 1.00 - 1.04g/mL FLAMMABILITY LIMITS: Not Applicable pH: 5.7 – 6.7 SOLUBILITY IN WATER: Completely miscible VISCOSITY: < 100 CPS	
Further specifications	Not applicable	
Specific advice	Not applicable	

Section 10: Stability and Reactivity	
Stability of the substance	Product is stable
Conditions to Avoid	Not applicable
Material to avoid	Not applicable
Hazardous decomposition Products	None known
Specific Data	None known
Section 11: Toxicological Information	
Data and interpretation	Product may cause irritation of the gastrointestinal tract. Irritant to the eye. Avoid contact. Prolonged skin contact may cause skin irritation. Long term or repeated skin contact may lead to dermatitis.
Summaries data	Not available
Format	Not available
Section 12: Ecotoxicity Information	
Potential Environmental Interactions	Expected to be biodegradable and unlikely to cause harm during normal usage and storage. Intended for use in normal waste water systems.
Environmental risk phrases	N/A
Section 13: Disposal Considerations	
Disposal information	Dispose of in accordance with local regulations. Rinse container and discard or recycle as appropriate. Must not be disposed of through untreated drains or storm water systems. Surplus contents may be rinsed to treated wastewater systems
Relevant information	Dispose of to lined landfill or approved incineration system.
Section 14: Transport Information	
Relevant Information	Not classified as dangerous in transport.
Other requirements	Not applicable
Section 15: Regulatory Information	
Regulatory Status	Covered by Cosmetic Products Group Standard 2006 HSNO Approval Number HSR002552
Section 16: Other Information	
Additional Information	Not applicable
