

- NON-DG
- SOLVENT-FREE
- SOIL RELEASE SURFACTANTS
- OIL SUSPENSION
- PHOSPHATE-FREE
- CUTS THROUGH GREASE & GRIME
- MULTI-PURPOSE

Water Based Cleaner & Degreaser

Formulated as an environmentally safe alternative to solvent based and non-biodegradable water based cleaning systems. Effective on oils, grease and other hard surface soiling. Solids are suspended until flushed into holding tanks, separator pits or settling ponds where separation occurs to form distinct water and oil layers allowing easy removal of unwanted contamination from discharge water.

DIRECTIONS

- For spot cleaning use undiluted on oil and grease spots. Scrub affected areas as required and rinse with water.
- For full floor coverage use at a ratio of 1:20 - 1:10 (5-10% soln, 50-100ml per litre) with potable cold water. Sweep or brush area prior to hosing off.
- If using a water blaster use a 5% solution applied at low pressure and remove by blasting off at high pressure.
- Plant and Machinery use at a ratio best determined for the job at a 10-20% solution and rinse off.
- Parts cleaning by hand use at a 25-50% solution. Rinse with water.

INDUSTRIAL Trucks, Trains, Service stations & Parts, Multi-purpose hard surface degreaser

PROPERTIES

APPEARANCE	Clear Blue Liquid
FRAGRANCE	No Fragrance
SPECIFIC GRAVITY	1.05
pH	13.0 (100%)

REORDER

5 Litres	FK-OILCL05
20 Litres	FK-OILCL20
200 Litres	FK-OILCL200

CHEMICAL SOLUTIONS SUSTAINABILITY POLICY

We are committed to continual improvement in our environmental performance, and have established a number of goals and initiatives helping achieve this objective. Where possible we always use biodegradable raw materials and all our finished product packaging is reusable or recyclable.

This is only a start, we continually strive to better our environmental performance.
