

## FloorPro Deep Cleaner RM 69

Non-toxic industrial cleaner for removing common oil and grease stains during intermediate or maintenance cleaning of industrial floors in logistics centres and production environments.

**pH 10.7**  
in concentrate

### Properties

- Powerful intermediate and maintenance cleaner for heavily soiled industrial floors
- Very low foaming
- Effectively dissolves oil, grease and mineral stains
- Outstanding cleaning performance
- Non-toxic
- Loosens heavy oil, grease and mineral-based soiling
- Can be used for mechanical or manual cleaning
- Rapidly separates oil/water in the oil separator.
- Effective quickly
- Very high yield
- Pleasant, fresh fragrance
- Wide range of applications: can be used for all water-resistant, alkali-sensitive (e.g. linoleum) and alkali-resistant (e.g. PVC) surfaces

### Usage options

- Machine
- manual

### Application areas

|                                     |                |
|-------------------------------------|----------------|
| <b>Industry</b>                     | Floor cleaning |
| <b>Forwarding agency, logistics</b> | Floor cleaning |
| <b>Car dealership and garage</b>    | Floor cleaning |
| <b>Metalworking industry</b>        | Floor cleaning |
| <b>Municipal</b>                    | Floor cleaning |
| <b>Contract cleaning</b>            | Floor cleaning |
| <b>Food and drink industry</b>      | Floor cleaning |

### Technical data

| Container sizes | Packaging unit | Part number |
|-----------------|----------------|-------------|
| 2.5 l           | 4 Piece(s)     | 6.296-058.0 |
| 10 l            | 1 Piece(s)     | 6.296-049.0 |
| 20 l            | 1 Piece(s)     | 6.296-050.0 |
| 200 l           | 1 Piece(s)     | 6.296-051.0 |
| 1000 l          | 1 Piece(s)     | 6.296-052.0 |

## Application

### Machine - maintenance and intermediate cleaning

- Remove coarse dirt by sweeping.
- Use appropriate brush/roller/pad and squeegee for scrubber drier.
- Combine the product with the appropriate dosage and fresh water.
- On DOSE machines, set the dosing only on the device.
- Clean the surface in overlapping sections.
- Rinsing with fresh water is not required.

### Manual - maintenance cleaning

- Remove coarse dirt by sweeping.
- Combine the product with the appropriate dosage and fresh water.
- Clean surface manually.

## Instructions for use

- Test on an inconspicuous part for material compatibility.
- Do not apply to wood or unsealed parquet flooring.
- Do not let the cleaning solution dry out.
- Store away from frost.
- Do not apply to alkali-sensitive surfaces.

## Warnings and safety recommendations according to EC Directives

- EUH 210 Safety data sheet available on request.

## Dosage and yield

| Contents | Cleaning method                 | Dosage    | Soiling       | Yield                |
|----------|---------------------------------|-----------|---------------|----------------------|
| 1000 ml  | Machine - maintenance cleaning  | 0.5 - 3 % | light-medium  | 4890 m <sup>2</sup>  |
| 1000 ml  | Manual - maintenance cleaning   | 0.5 - 3 % | light         | 12000 m <sup>2</sup> |
| 1000 ml  | Machine - intermediate cleaning | 3 - 10 %  | medium-strong | 2000 m <sup>2</sup>  |
