

GEL STAIN REMOVER

CHLORINATED LIQUID DESTAINER

B1

DESCRIPTION

C-TEC Gel Stain Remover is specially formulated to a thick solution to ensure long contact time to remove and kill mould, stains and sanitise hard surfaces including tiles, toilets, showers, concrete and stainless steel.

FEATURES AND BENEFITS

- Kills mould
- Leaves surfaces clean and sanitized
- Removes water marks
- Colour-coded labelling ensures easy product identification and simplifies training

APPEARANCE

Viscous white liquid with a chlorine scent.

DIRECTIONS FOR USE

Use neat.

Mould and Soil Removing: Apply to the surface you wish to clean. Leave for 2-5 minutes depending on soil. For improved results, agitate the surface with a scourer or scrubbing brush. Rinse with water.

Toilets: Half flush the toilet and then squirt under rim, allowing solution to slide down the bowl and settle on the water. This will aid in the removal of water marks.

Food Processing Equipment: Squirt solution on a cloth and wipe over surface. After use, food surfaces must be thoroughly rinsed with potable water.

DO NOT allow to dry on surfaces. DO NOT use on aluminium or non-colourfast surfaces. DO NOT leave for extended time on glass or soft metal.

PACKAGING

750ml, 5L, 20L

SAFETY INFORMATION
