

Fact Sheet

NATURE CLEAN GENERAL HEAVY DUTY CLEANER

G1

DESCRIPTION

C-TEC Nature Clean is a pH neutral surface cleaner, specially formulated to be tough on grease and grime but kind to the environment.

Ideal for:

- Walls and floors
- Kitchens and tiles
- Toilet bowls and urinals
- Showers, baths and basins

FEATURES AND BENEFITS

- Effectively penetrates and removes soils without the need for solvents or high alkalinity
- Neutral formulation will not strip or dull floors
- Contains no phosphates, silicates, formaldehyde, solvents, acids or alkali
- Safe and easy to use
- Colour-coded labelling ensures easy product identification and simplifies training

APPEARANCE

Clear blue semi-viscous liquid with a citrus fragrance.

DIRECTIONS FOR USE

Hard Surfaces e.g. floors/walls/benches: dilute 1:50 – 1:100 (10-20mls per litre of water)

Kitchen/Bathroom Floors: dilute 1:40 – 1:100 (10-25mls per litre of water)

Polished floors and Light soils: dilute 1:80 – 1:300 (3-12mls per litre of water)

Showers/Toilets/Urinals: dilute 1:5 – 1:10 (90-166mls makes 1L solution)

Bottle Application: Spray the diluted solution directly onto a cloth and wipe over the surface requiring cleaning. For heavily soiled surfaces, spray directly onto the surface to be cleaned. If required, allow to dwell for a few minutes, scrub (if necessary) then wipe with a clean damp cloth. Ensure that any residue has been completely rinsed off with water.

Bucket Application: Dip your mop into the bucket, then wring out until damp. Apply to the floor using a figure 8 motion. Scrub with a bristle broom. Rinse the floor with water to remove any residual cleaner.

After use all food surfaces must be thoroughly rinsed with potable water.

PACKAGING

5L, 20L

SAFETY INFORMATION

Carefully read the Safety Data Sheet (SDS) before using this product.
