

Fact Sheet

REVIVER CUTLERY & CROCKERY SOAK

K15

DESCRIPTION

C-TEC Reviver is a specialty pre-soak for stainless steel cutlery and table-top crockery. Also ideal for coffee urns, plasticware and teapots.

FEATURES AND BENEFITS

- Pre-soak for kitchen utensils and crockery
- Can also be used as a stain remover and whitener for laundry application
- Colour-coded labelling ensures easy product identification and simplifies training

APPEARANCE

Granular white powder with no scent.

DIRECTIONS FOR USE

Cutlery and Crockery: dilute 2 desertspoons per 5 litres of hot water. For crockery it's recommended to have water as hot as 55-60 degrees.

Stain Remover/Whitener: dilute 2 dessertspoons per 5 litres of warm water

Kitchen Application:

Soak cutlery in diluted solution for 15min prior to putting through the dishwasher. Stained crockery should be soaked until the stain is removed and rinsed thoroughly with water.

Laundry Application:

Soak items in diluted solution for 2+ hours. Follow by rinsing or putting through a regular wash cycle. Before use, check for colour fastness.

PACKAGING

4kg, 10kg

SAFETY INFORMATION

Carefully read the Safety Data Sheet (SDS) before using this product.
