## Saving energy has never been so much fun!

- Low power consumption (500 W).
- Up to 40% energy saving with simultaneously high cleaning performance.

## Low noise

- Suitable for use in noise-sensitive areas thanks to low operating noise.
- Night-time cleaning applications are also possible without any problems.

## Easy to service

- Simple, quick replacement of power cable, even without any prior knowledge.
- Reduces time requirement and service costs.
