Barnet Exterior Post Light Installation Instructions
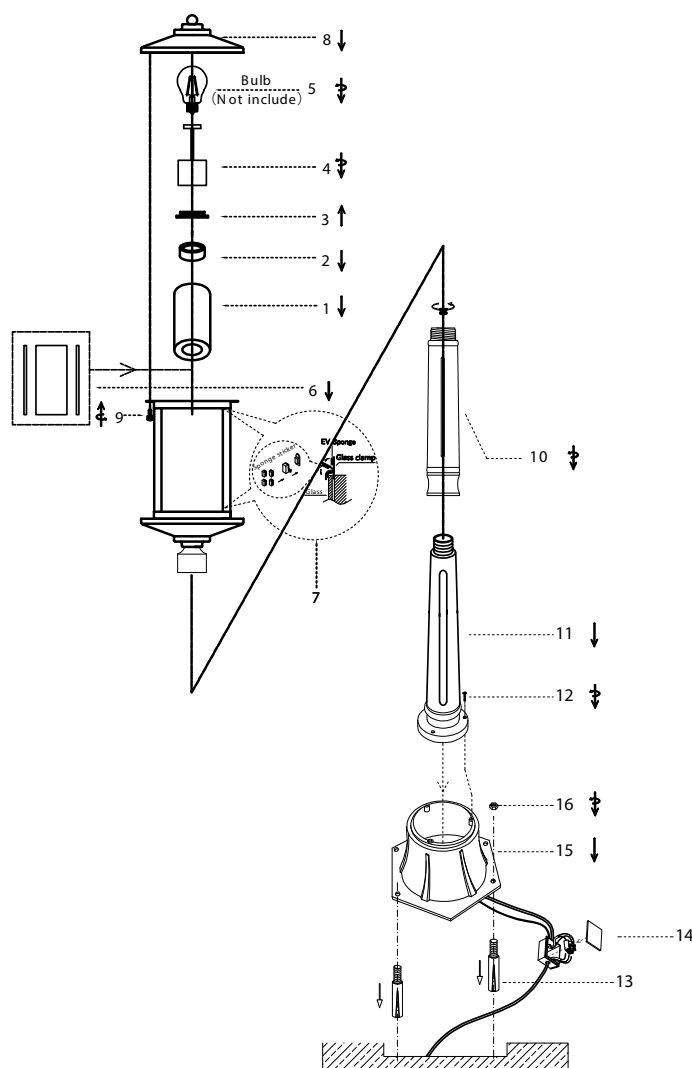

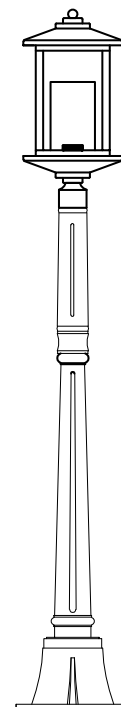

Code	Description	Colour
5505176	Barnet Exterior Post Light - Black	Black

Important Safety Issues:

- This product must be installed by a professional, licensed electrician according to AS/NZ 3000.
- Ensure power supply is switched off before installation
- Modifications of this product will void any warranty
- Vencha Lighting does not take responsibility for wrong installation or incorrect use.

Steps for Installation:

1. Turn off power, make sure circuit is free of voltage.
2. Assemble head of post as per diagram.
3. Place E27 globe inside fitting.
4. Feed cable through post, connecting each post as per diagram.
5. Connect fitting to appropriate power source.
6. Place base in desired location, secure tightly to floor, ensuring the product will be stable and maintaining waterproof rating.
7. Once installation is complete, turn power back on and test fitting operates correctly.
