5505181	Bexley Exterior Wall Light - White	White
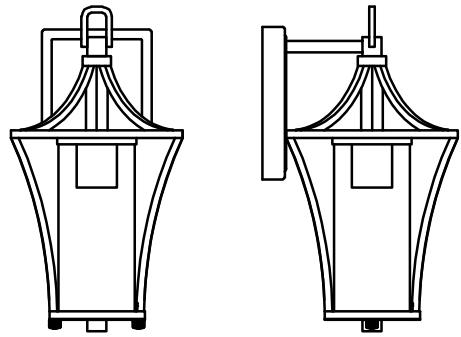

Important Safety Issues:

- This product must be installed by a professional, licensed electrician according to AS/NZ 3000.
- Ensure power supply is switched off before installation
- Modifications of this product will void any warranty
- Vencha Lighting does not take responsibility for wrong installation or incorrect use.

Steps for Installation:

1. Turn off power, make sure circuit is free of voltage.
2. Remove mounting bracket from wall light.
3. Secure bracket on wall in desired location that is capable of supporting product.
4. Connect fitting to appropriate power source.
5. Follow diagram, assemble fitting together and place back on bracket, secure tightly ensuring product maintains waterproof rating.
6. Place E27 globe inside fitting.
7. Once installation is complete, turn power back on and test fitting operates correctly.
