## Important Safety Issues:

This product must be installed by a professional, licensed electrician according to AS/NZ 3000.  
 Ensure power supply is switched off before installation  
 Modifications of this product will void any warranty  
 Vencha Lighting does not take responsibility for wrong installation or incorrect use.

## Steps for Installation:

Turn off power, make sure circuit is free of voltage.  
 Remove mounting bracket from wall light.  
 Secure bracket on ceiling in desired location that is capable of supporting product.  
 Connect fitting to appropriate power source.  
 Select desired light colour from 3CCT switch, place fitting back on bracket and secure tightly ensuring product maintains waterproof rating.  
 Once installation is complete, turn power back on and test fitting operates correctly
