FLORAL H9

DUAL ACTION DEODORISER & AIR FRESHENER

DESCRIPTION

Floral is a dual action deodoriser / air freshener. It is a neutral detergent containing specially formulated perfume oils with a high residual nature which masks obnoxious odours. It can be used as a deodoriser or as an air freshener.

APPLICATION

In confined spaces Floral together with its mild disinfectant properties freshens and deodorises by masking obnoxious odours and giving a fresh clean appeal to treated surfaces. Floral is ideally suited to toilets, washrooms and other areas where odours are a problem.

BENEFITS

- Multi-functional - Cleans, sanitises and deodorises in one application.
- Contains a broad spectrum bactericide.
- Leaves a fresh long lasting fragrance.
- Phosphate Free formulation - Safe of all surfaces.
- Fully biodegradable
- Based on mild detergents
- Product registered under Accord's "Recognised - Environmental Credentials Scheme"

DIRECTIONS FOR USE

1. **AS A DEODOURISER** - Mix one part Floral to 40 parts water. Mop or swab the area to be cleaned. Pick-up excess moisture and allow to dry.
2. **AS A SPRAY FRESHENER** - Mix 1 part Floral to 3 parts water and spray a fine mist towards the ceiling.
