# ADAPTER KIT DMAK-A109N

## AgustaWestland A109 Nexus pitot 855GYZ

*Configuration:* **081121PAB**

*Please contact DMA to enquire about any of the listed adapter kits, about custom adapters or about any adapters or kits not listed.*

This kit has been configured by a customer for partial or complete Pitot Static testing.

The kit requires the use of:

- An ADTS able to simultaneously test multiple ports with multiple isolator, 2 Static and 2 Pitot.
- An ADTS with Hansen pneumatic fittings (1H11 Static, 2H16 Pitot).

The Kit includes:

- A transparent group of hoses (blue Pitot, red Static).

The kit does not contain any pretest probes.

The kit uses “Quick Fit” fittings for easy hose connection.
