5K UHD Display

QPDX-5K Series

Scale up your business with a supersized screen

Experience a new level of collaboration with Samsung's 21:9 ultrawide 5K display. The expansive screen delivers crystal-clear visuals and vibrant colours for meetings where every detail matters. Its ultrawide format allows for seamless multitasking, displaying content, video feeds, and chat side by side. Designed to elevate virtually any workspace, this 5K display brings clarity and productivity to conference rooms.

Key features

21:9 Ultra Wide Screen

The QPDX-5K's 21:9 aspect ratio is optimised for video conference layouts. Whether attendees are in-person or remote, the display ensures equal engagement, providing a truly immersive meeting environment that fosters collaboration.

Slim Depth

At just 48.1mm in depth, this 105-inch display delivers a sleek design. Outward-facing ports enable easy, flush wall mounting, making it ideal for meeting rooms that require both elegance and efficiency.

SMARTVIEW+

Enjoy wireless screen sharing for virtually seamless collaboration. Start sharing right from the beginning of a meeting and switch between screens with a single click. The QPDX-5K supports up to 10 screens at once.

5K resolution

Experience enhanced collaboration with ultra-clear 5K resolution, delivering sharp images and fine details.
