Samsung Flip

WMFX series

Unlimited collaboration possibilities

Samsung Flip creates a meeting environment where ideas flow as soon as inspiration strikes. With instant writing on power-up, it works like a true whiteboard keeping discussions stay smooth and uninterrupted. Its intuitive home screen provides quick access to frequently used apps and tools, adapting naturally to any meeting style. Enhanced clarity and fluid interaction make it easier to express and share ideas with confidence. Designed to fit most workspaces, Flip offers rotatable 55" and 65" models for flexible collaboration and slimmer 75" and 85" models with refined proportions that elevate modern meeting spaces. Protected by government-grade Samsung Knox, Flip helps ensure every collaboration remains secure and reliable.

Key features

Enhanced Whiteboard

Start writing instantly. Flip's enhanced whiteboard lets you edit, move, and resize notes freely - transforming handwriting and shapes into clean, professional visuals.

Easy Multitasking

Display multiple windows side-by-side to compare data, browse content, or take notes — all on one screen. Collaborate more efficiently without switching views.

Flip Home

Keep your favorite tools within reach. Flip Home puts Whiteboard, Note On, and Screen Share right on your customised toolbar for smoother, faster meetings.

Rotatable Design*(55", 65") / Slim Design*(75", 85")

Flip adapts to most workspaces— rotatable 55" and 65" models enable flexible collaboration, while slimmer 75" and 85" models bring modern elegance to professional spaces.

* Rotatable design available on 55" and 65" models only. The 43.5mm slim profile applies to 75" and 85" models only.

Samsung Knox Security

Powered by Samsung Knox, Flip helps safeguard your ideas with added protection from boot-up to shutdown, helping to create worry-free collaboration.

* Knox Security can be purchased separately.
