THE UNCANNY X-MEN

MAIN ATTRACTIONS

- Stern Pinball presents Marvel's "The Uncanny X-Men" game based on the acclaimed comic stories "Days of Future Past" and "Mind out of Time".
- Featuring Wolverine, Professor X, Cyclops, Storm, Colossus, Beast, Rogue, Gambit, Nightcrawler, Jean Grey, Bishop, Kitty Pryde, Magneto, and more.
- Battle a 3 dimensional sculpted mechanically animated Sentinel embedded in the playfield that changes states based on player actions.
- Experience an innovative new playfield layout from designer Jack Danger that features several new tripping shots and ramp designs with an all-new interpretation of the conventional flipper array with a new playable area themed the "Danger Room".
- Stunning hand-drawn comic book style art by Zombi Yell accompanied by an original custom X-Men soundtrack from Charlie Benante of Anthrax and Pantera fame.

INSIDER CONNECTED™

Players can extend the fun with Stern's award-winning Insider Connected™ system by discovering mutants with Cerebro and using their mutant powers in online Quests!

Best Lab elevated captive ball vari-target.
